11 PAUL D. GUGLIELMO  
12 d/b/a GUGLIELMO & ASSOCIATES,

13 Defendant.

15 **FINAL APPROVAL ORDER**

16 Plaintiffs Carlos J. Hernandez and Ryan A. Evans brought the instant action  
17 against Defendant Paul D. Guglielmo d/b/a Guglielmo & Associates for alleged  
18 violations of the Federal Fair Debt Collection Practices Act (“FDCPA”), 15 U.S.C. §  
19 1692 *et seq.* On May 4, 2015, an Order Granting Preliminary Approval to Class  
20 Action Settlement was entered (“Preliminary Approval Order”) which, among other  
21 things, conditionally certified a class as defined in the Complaint for settlement  
22 purposes only and directed notice of the Settlement to the Class. The parties now  
23 move jointly for final approval of their class action Settlement. Having reviewed all  
24 papers submitted on this matter, and good cause appearing, it is HEREBY  
25  
26  
27  
28 ORDERED, ADJUDGED and DECREED as follows:

1           1.     For purposes of this Order, the Court adopts and incorporates the  
2 definitions set forth in the Settlement Agreement.

3  
4           2.     The Court has jurisdiction over the subject matter of this action and over  
5 all parties to the action, including all Class Members.

6           3.     The Court grants final certification to the Class for settlement purposes  
7 only and finds that the requirements of Rule 23 of the Federal Rules of Civil  
8 Procedure and the Due Process Clause of the United States Constitution for the  
9 maintenance of a class action have been satisfied in all respects.

10  
11           4.     The Court certifies the Settlement Class defined as: (i) all Nevada  
12 residents to whom (ii) Defendant sent or caused to be sent a letter in the form of  
13 Exhibits A, B, and or C (iii) on behalf of Discover Bank (iv) in an attempt to collect a  
14 debt incurred for personal, family or household purposes (v) during the one year  
15 period before filing this action through the date of certification.

16  
17           5.     The Court makes the following findings:  
18

19               (a)    The Class is so numerous that joinder of all members is  
20 impracticable;  
21

22               (b)    There are questions of law or fact common to the Class, and such  
23 questions predominate over questions affecting only individual Class Members;  
24

25               (c)    The claims of the named Plaintiffs are typical of those of the  
26 proposed Class;  
27  
28

1 (d) The named Plaintiffs are capable of fairly and adequately  
2 protecting the interests of the above-described Class in connection with the proposed  
3 Settlement Agreement;  
4

5 (e) For purposes of settlement, a settlement with the above-described  
6 Class is superior to other available methods for the fair and efficient resolution of the  
7 claims of the Class.  
8

9 6. The Court designates Named Plaintiff Carlos J. Hernandez and Ryan A.  
10 Evans as Class Representatives.  
11

12 7. The Court appoints O. Randolph Bragg of Horwitz, Horwitz &  
13 Associates, LTD. and Craig Friedberg as Class Counsel.  
14

15 8. Notice of the Settlement was disseminated to the Class via first class mail  
16 to the approximately 2,114 Class Members as set forth in the Settlement Agreement  
17 and the Preliminary Approval Order. The notice fully informed the Class of their  
18 rights with respect to the Settlement Agreement, including the right to be excluded  
19 and to object to the Settlement Agreement, the right to enter an appearance, and the  
20 proposed statutory damages and incentive awards to the named Plaintiffs. The notice  
21 given to the Class in this action is the best practicable notice under the circumstances  
22 and satisfies the requirements of Rule 23 of the Federal Rules of Civil Procedures and  
23 the Due Process Clause of the United States Constitution.  
24  
25  
26

27 9. Pursuant to the Class Action Fairness Act, 28 U.S.C. § 1715 *et seq.*,  
28 Defendant has notified the appropriate state and federal officials of the Settlement.

1 The Court has set aside more than 90 days to receive and consider any comment or  
2 objection by any government entity in response to the CAFA notices provided by  
3 Defendant.  
4

5 10. The Court finds that the Settlement Agreement is fundamentally fair,  
6 adequate, and reasonable. Specifically, the legal and factual posture of this case and  
7 the fact that the Settlement was the result of arms' length negotiations between  
8 experienced counsel support this finding. No objections have been filed with the  
9 Court. Accordingly, the Settlement Agreement is hereby finally approved in all  
10 respects.  
11

12 11. The following individuals filed a written request for exclusion and will  
13 be excluded from this action and from participating in the Settlement:  
14

15 (1)  
16

17 (2)  
18

19 No one has objected to this class action settlement.

20 12. Named Plaintiffs, each member of the Class, and each of the Releasing  
21 Persons are deemed to have, and by operation of this Order shall have  
22 unconditionally, released the Released Parties from each and every claim they have or  
23 may have asserted against the Released Parties in this Lawsuit as set forth in the  
24 Settlement Agreement and are forever barred and enjoined from prosecuting any  
25 claim they have or may have against the Released Parties in this Lawsuit.  
26  
27  
28

1           13.    Named Plaintiffs, each member of the Class, and each of the Releasing  
2           Persons' claims are dismissed with prejudice as to the Released Parties.

3  
4           14.    Named Plaintiffs' individual claims against Defendant are hereby  
5           dismissed with prejudice.

6           15.    Defendant shall pay \$14,269.50 to the Class pursuant to the terms of the  
7           Settlement Agreement, i.e. - \$6.75 to each of the 2,114 Class Members.

8  
9           16.    Defendant shall pay for the cost of class notice, preparation and  
10          distribution of checks to the class members, claims administration, etc.

11  
12          17.    Plaintiffs are the successful party for the purpose of determining the  
13          amount of the award of reasonable attorneys' fees, costs and expenses. Plaintiffs shall  
14          file their motion for an award of reasonable attorneys' fees, costs and expenses and  
15          supporting documents within thirty (30) days of the date of this Order.

16  
17          18.    The Court approves Legal Aid Center of Southern Nevada, 501(c)(3)  
18          non-profit organizations, as the recipient of the *cy pres* award which shall consist of  
19          all monies remaining from the checks from the Settlement Fund which are not cashed  
20          within 90 days of the date of issuance. The *cy pres* award shall be used for consumer  
21          representation and/or education.

22  
23  
24          19.    Named Plaintiffs are each awarded \$3,700 as statutory damages pursuant  
25          to the FDCPA and as a fee for their services as the class representatives in this action  
26          to be paid directly by Defendant.

1           20.    The Court hereby retains exclusive and continuing jurisdiction over the  
2 parties and the Class Members for all matters relating to this litigation, including the  
3 administration, interpretation, effectuation or enforcement of this Order.
